Moving and Storage Non-Allowable Items

To avoid potential cargo/storage claims, there are certain preventive measures you can take to reduce the risk of claims due to contamination, fire, etc. Listed below are moving and storage industry standards of items that are "non-allowable". **Please Note: Moyer & Sons, Inc. employees will not, under any circumstances, pack any of the hazardous or perishable items noted. If the shipper packs any of the noted items, no liability can be assumed, regardless of valuation protection/coverage.**

Perishables

Frozen Foods	Plants	Refrigerated Foods
Open or Half-Used Foods	Produce	Wine

*Some exceptions allowed for perishable items, with limited liability
